I missed 2nd page from Karl that has the directions to Scott's shop. Listed below is the announcement and directions to Scott's shop.

WOCO Members: Save the date!

The following is an announcement from Scott Phillips (via WOW) inviting our club to visit his shop on May 21st. He asked that we give an idea of attendance numbers so please **RSVP to me by April 15th and let me know if you plan to attend.** I will send out more reminders and will discuss details such as car-pooling at our next meeting on May 14th.

Thanks,

Karl Hans

lhans@me.com

Note: This is not a cookout or pot luck it is an Auction/Sale, Shop Tour and Social Gathering

Scott has invited the members of the Woodworkers of Central Ohio (WOCO) to this gathering. It will be an excellent time for us (WOW) to meet the WOCO Guys and Gals and figure out how they keep beating us in the Christmas Toy Building Competition.

Directions to the shop: Go north on **I-75 to Exit 78**, (no other exit will do) which is **County Rd. 25A** (It may show up as N. Dixie Hwy on the google map/satellite display). Turn left (NNW), go 0.6 of a mile to **Peterson Rd** (it may also be labeled W. Farrington Rd), Turn Right (ENE), go another 0.6-0.7 of a mile and you should come to a “T” junction which will be **Piqua-Troy Rd**, turn left (NNW), go 1.5 miles north towards Piqua and you will see **THE AMERICAN WOODSHOP** on the right side of the road behind a stone fence. It is a large white building set back 100 or so feet with a green roof (now

sporting solar panels) and a front porch. It's surrounded by farmland. There is a barn behind the woodshop where Scott stores some of his wood and "STUFF". (Note: if you pass Windham Way on the right, you've gone a fifth of a mile too far; turn around & go back!!!). If you use **Google Maps**, Scott's Shop Address: **6524 Piqua -Troy Road, Piqua, OH 45356**

NOTE: Scott's shop is on Piqua-Troy Rd only 0.4 miles south of Gernsey St (aka W. Statler) as you come out of Piqua and turn south on Piqua-Troy Road.

SEE YOU THERE. DON'T MISS THIS ONE: IT WILL BE INTERESTING AND ENTERTAINING
